ABOUT DINEOUT

Dineout is full-stack food tech company with having the product line in both B2C and B2B segments.

Dineout (B2C) is a table booking platform helping customers to do table booking in their favourite restaurants for free and help them get great discounts.
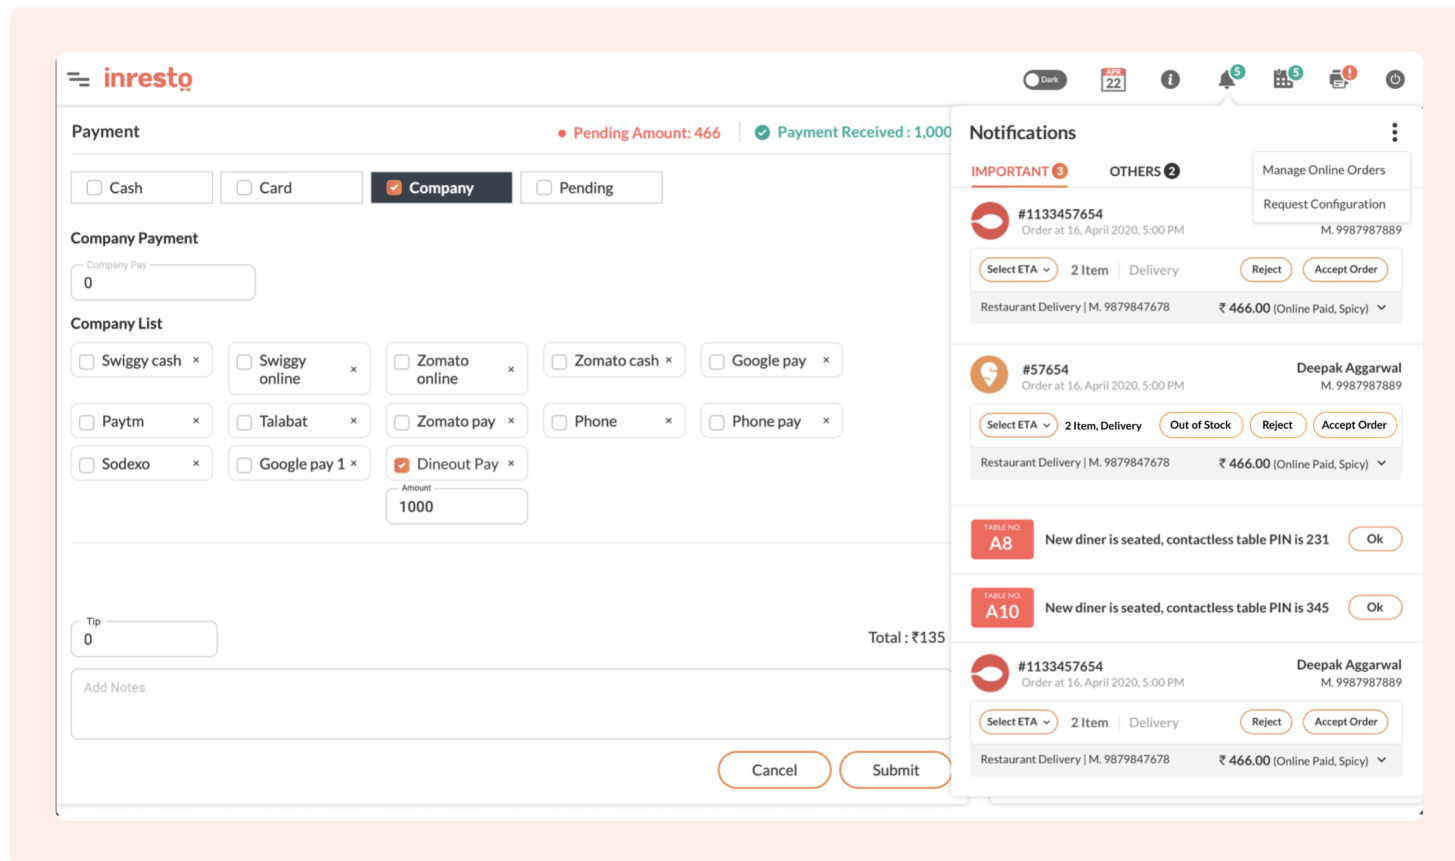

Dineout (B2B) is a one-stop technology solution that empowers restaurateurs to manage their operations efficiently. we cater to any F&B establishment's front & back-end house affairs.

Through innovative & integrated solutions, we aims to disrupt the restaurant industry & put an end to the problems that have riddled restaurateurs since the beginning of time.

Dineout have 2 B2B software which help restaurant to manage their operations and efficiency. both the software were acquired by dineout from **Inresto** and **Torqus**

1. **POS (Point of Sale)**
2. **SCM (Supply Chain Management)**
